

SQL Audit

How do I download SQL Audit?

Visit our [downloads](#) page. There are two options to download SQL Audit.

DOWNLOAD SOFTWARE FORM

Software Interest: ☐ DBU 10.0 ☐ DBU Audit ☐ DBUnifier
☐ RDB Connect ☐ RDR ☐ CMTPG

A. If you are a **current SQL/Pro customer**, download the latest version of SQL/Pro from our web site. This will include SQL Audit. Then follow installation instructions to update SQL/Pro and install SQL Audit.

B. If you use **IBM's SQL**, download SQL Audit separately and follow the installation instructions.
